

Brief CV

Name	Dr. Asish Mitra	中文名		
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Associate Professor	Country	India	
University/ Department	Associate Professor Department of Basic Sciences & Humanities [Ex-Head, Department of Basic Sciences & Humanities] College of Engineering & Management, Kolaghat KTPP Township, Purba Medinipur, Pin: 721 171, West Bengal, INDIA [Under Maulana Abul Kalam Azad University of Technology, West Bengal, India]			
Personal Website	No			
Research Area	Computational Heat Transfer in Basic and Nanofluids			
Brief introduction of your research experience:				
Research Guidance: “Rise of Bubbles in Viscous Liquid,” scholar Kishore Kumar Dhar, NIT Agartala with other guide Dr. P. Bhattacharya.				
Sponsored Research Activity: April 2007 – March 2010: Co-Investigator of the CSIR-sponsored Project entitled: “Effect of Surface Characteristics on Natural Convective Heat Transfer in a Vertical Rectangular Cavity”, [vide letter no. 22 (0428)/07/EMR II] in collaboration with Jadavpur University, Kolkata. (Rs 13,05,2000/-)				
Patents Registered/ Filed: Designing of the Bessel Filter for the Improvement Purpose of the Vehicle Muffler (Patent Application No. 1369/KOL/2012), Introducing a Generalized Novel Method for Refraction of Light in Prism (Patent Application No. 1269/KOL/2014).				
Membership of Professional Bodies: Calcutta Mathematical Society (Life Membership), Institute of Mechanics of Continua and Mathematical Sciences (Life Membership).				
Reviewer/Associate Editor of Journals				
Journal Reviewer:
