

## Brief CV

Name	Bibhu Prasad Ganthia	中文名		
Gender	Male	Title (Pro./Dr.)	Mr.	
Position (President...)	Assistant Professor	Country	India	
University/Department	Indira Gandhi Institute of Technology/ Electrical Engineering			
Personal Website				
Research Area	Electrical Smart Materials, Nano Materials, Renewable Energy, Electrical Materials, Power Electronics & Drives, Power System			
<p>Brief introduction of your research experience:</p> <p>My recent research works going on electrical smart materials. I have work on renewable energy system like PV system and Wind energy system. In power system field I worked on three area thermal power system with utilization of load dispatch. Now I am working on meta heuristic bio inspired optimizations techniques used in power system and renewable energy system for efficiency advancement.</p>
