

Brief CV

Name	Qiang Fan	中文名	范强	
Gender	male	Title (Pro./Dr.)	Dr.	
Position (President...)	Associate Professor	Country	China	
University/ Department	Leshan Normal University / School of Physics and Electronic Engineering. Leshan, Sichuan			
Personal Website	No			
Research Area	Photoelectric and Thermoelectric Functional Materials、 Materials Design and Multiscale Computation、 New Energy Materials			
Brief introduction of your research experience:				
<p>Dr. Qiang Fan received his PhD degree from Sichuan University in 2012 major in Material physics and chemistry. Subsequently, he joined School of Physics and Electronic Engineering, Leshan Normal University. He is now working in the field of Photoelectric and Thermoelectric Functional Materials、 Materials Design and Multiscale Computation. His scientific work has been published as more than 10 papers and 9 patents. Now he is serving as invited reviewers for several journals including Journal of Physics and Chemistry of Solids, etc.</p>
