

Brief CV

Name	Zhao Feng-qing	中文名	赵风清	
Gender	Male	Title (Pro./Dr.)	Pro./Dr.	
Position (President...)		Country	China	
WeChat				
University/ Department	Hebei University of Science and Technology/Chemical Engineering			
Personal Website				
Research Area	Green chemicals and Ecological material; Utilization of solid waste			

Brief introduction of your research experience:

Feng-qing zhao, Ph.D., received his M.S. degree in Chemical engineering from Qingdao Institute of Chemical Technology in 1988 and Ph.D. degrees in safety engineering from Beijing University of Science and Technology 2007. From 1988 to 1992, Zhao worked as an engineer with the Design Department, Qilu Petrochemical Research Institute. In 1993, he joined the Faculty of the Department of Chemical Engineering, Hebei University of Science and Technology. Since 1997, Zhao has been an Associate Professor and worked as director in Chemical Experiment Center. Since 2008, Zhao has been a Professor with the Department of Chemical Engineering, Hebei University of Science and Technology. His research interests include green chemicals and ecological material, utilization of solid waste, construction and building materials. In 2009, he was appointed as deputy director of Hebei Research Center of Solid Waste Utilization. He is the provincial government inspector of the fourth session and "Green think tank" expert of the Hebei Environmental Federation.
